

Supplemental Type Certificate

Number SA2023NM

This Certificate issued to AIR MEDIC, L.L.C.
7309 Clybourne Avenue, Unit 3
Sun Valley, California 91352

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A1NM
Make : The Boeing Company
Model : 767-200, -300, 400ER Series

Description of Type Design

Change: Installation of Stretcher Carrier, in accordance with AIR MEDIC Stretcher Carrier Master Drawing List AM-2001, Revision "V", dated October 27, 1983, or later FAA approved revision and utilized in accordance with Air Medic Operations Specifications AM 2017, is required as part of this installation.

Limitations and Conditions: The approval of this change in type design applies basically to the Boeing 767 Series passenger versions only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between the change and those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : May 11, 1983

Date reissued:

Date of issuance : January 11, 1984

Date amended : August 21, 2003
